

## SCREENING OUTREACH

### Cervical Cancer and Breast Cancer Screening

#### Screening Process:

1. **Pre-Screening lecture:**
  - Health education on the benefits of screening.
2. **Screening Procedure:**
  - Cervical Cancer/Clinical Breast Examination (CBE) performed by Certified Nurse.
  - For women with suspicious findings- Ultrasound (18 – 39 years) or Mammography (40 – 65 years)
3. **Counseling & Follow-Up:**
  - Women with abnormalities are referred for further diagnostic testing and treatment.
  - Providing emotional support and guidance throughout the process.
